Tarun is a Professional trainer of global credentials and history of contributing training expertise in promoting professional excellence across diverse functional disciplines. He has demonstrated matured professional grip in designing & delivering high impact training modules catering to the specialized needs of corporate and individuals. With extraordinary public speaking, behavioral and selling skills with capability to instill the essence of these traits among trainees to develop them into improved performers.

Quoted in:

The Times Of India

“Human Beings have potential, which is very rarely tapped; powerful training can motivate ordinary people to do extraordinary things and their way to un-limited personal success”

Indian Express

“Mr. Tarun Ahuja, narrated a story close to 300 people, who listened and were spell-bound as he shared tips on how to go up the ladder of success soon. His workshops work beyond just personality development and are concrete examples on what

attitudes to develop. One main session is on transformational vocabulary how to express emotions with appropriate words.”

Winner – Brands Academy 2013

“I challenge you to plan more than you can do. Bite more than you can chew. Look to the future, forget the past and dance, dance as if it were you're last.” – Tarun Ahuja

More About Tarun:

Tarun is a electrifying speaker and can motivate and activate humans with his unique style.He trains in a way which engages and leaves the people spell bound. He has mastery in bringing out the best in every human being through his trainings , motivational speaking , coaching and also key note speaking.

He has proven competencies in application of modernized training methodology to generate far reaching impact on the psyche of all levels of participants and liberate the hidden human potential.

His entrepreneurial passion led to birth of Peak Performance Trainings (www.peaktrainings.com) – a training organization with mission of providing customized trainings to business houses, institutions and individuals.

Quoted in “The Hindu Newspaper”:

“The matters of mind are not easy to handle but Tarun Ahuja knows the game well. The trainer involved in the sphere for over a decade has closely worked with corporate giants like Airtel, British Airways, Indian Army, and Saint Gobain imparting mind techniques to their staff in order to increase their productivity and thus be more successful. Based in Bangalore, the trainer showed up in the field through tie-up with Zig Zigar and is now on his own. He works strategically to train his protégés and is a strong believer of the master strategist Lord Krishna.”

Testimonials:

“This is the first search Program I have attended and it was an Eye Opener. Thanks Peak Performance Trainings for showing me the way .Will know work to strengthen. The backup material was exhaustive and very well compiled.” - **COL Rajan Magoon**

“The training sessions were immensely useful for the participants who at the end of the programme, could draw a parallel to the learnings between their personal and professional lives. This learning, have shown a extremely positive impact to the performances in their respective Customer Service standards wherein the ratings have risen and constant at a score of 97.8% across India in the past 4 years. Would like to give Mr. Tarun Ahuja the credit for making the Team in TT Logistics open their potential and bring about a change in their individual perception to achieve the organizational goals. “ - **Capt. Murugan Chellappa (British Airways)**

The training has helped all the people in transforming the ideas, thought process and attitudes towards life. I have myself found the training program to be very useful. It has helped me in many ways especially, the modules on Goal setting, Decision Making and Improving self Image.”- **Lt. Col. Parbate (Indian Army)**

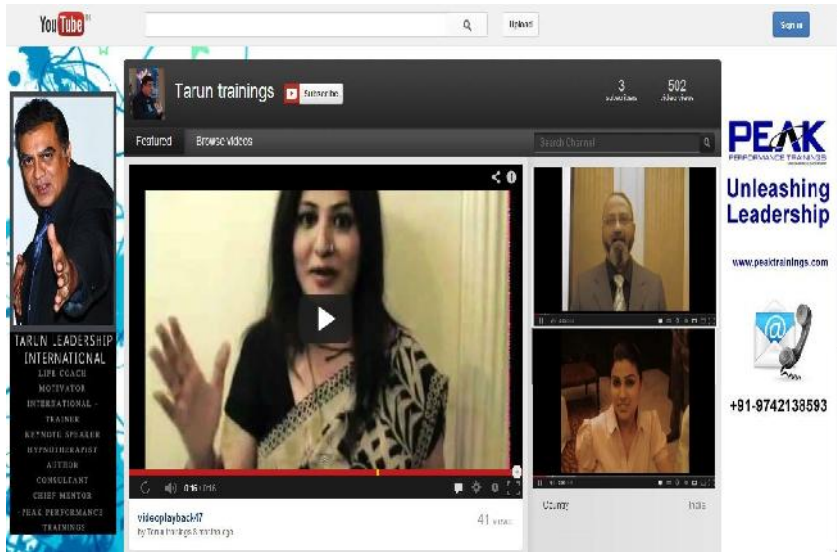

“The Program was conducted extremely well and time management was good. All the work outs that we did actually made us think about the shortcomings we have and make a conscious effort to overcome it. The participant manual; is very concise and informative about the basics of presentation skills.” - **Mr. Sudhir Shenoy (Saint – Gobain)**

“The program was very effective and useful for our day to day functioning. The suggestions given was implementable and actionable.”**Mr. Biju R. Naik (Air-tel)**
